Langston Hughes's work and reflect the feelings and experiences of Black children growing up during the turbulent 1960s

**MultiCultural Review** - 2001

**MultiCultural Review** - 2001

**Culturally Diverse Library Collections for Youth** - Herman L. Totten - 1996
Features materials about African Americans, Native Americans, Hispanic Americans, and Asian Americans, categorized by type of media

**Culturally Diverse Library Collections for Youth** - Herman L. Totten - 1996
Features materials about African Americans, Native Americans, Hispanic Americans, and Asian Americans, categorized by type of media

**Montage of a Dream** - John Edgar Tidwell - 2007
"Contributors reexamine the continuing relevance of Langston Hughes's work and life to American, African American, and diasporic literatures and cultures. Includes fresh perspectives on the often overlooked "Luani of the Jungles," Black Magic, and works for children, as well as Hughes's more familiar fiction, poetry, essays, dramas, and other writings"--Provided by publisher.

**To See the Wizard** - Laurie Ousley - 2021-02-19
To See the Wizard: Politics and the Literature of
Childhood takes its central premise, as the title indicates, from L. Frank Baum’s The Wonderful Wizard of Oz. Upon their return to The Emerald City after killing the Wicked Witch of the West, the task the Wizard assigned them, Dorothy, the Tin Woodman, Scarecrow, and Lion learn that the wizard is a “humbug,” merely a man from Nebraska manipulating them and the citizens of both the Emerald City and of Oz from behind a screen. Yet they all continue to believe in the powers they know he does not have, still insisting he grant their wishes. The image of the man behind the screen—and the reader’s continued pursuit of the Wizard—is a powerful one that has at its core an issue central to the study of children’s literature: the relationship between the adult writer and the child reader. As Jack Zipes, Perry Nodelman, Daniel Hade, Jacqueline Rose, and many others point out, before the literature for children and young adults actually reaches these intended readers, it has been mediated by many and diverse cultural, social, political, psychological, and economic forces. These forces occasionally work purposefully in an attempt to consciously socialize or empower, training the reader into a particular identity or way of viewing the world, by one who considers him or herself an advocate for children. Obviously, these “wizards” acting in literature can be the writers themselves, but they can also be the publishers, corporations, school boards, teachers, librarians, literary critics, and parents, and these advocates can be conservative, progressive, or any gradation in between. It is the purpose of this volume to interrogate the politics and the political powers at work in literature for children and young adults. Childhood is an important site of political debate, and children often the victims or beneficiaries of adult uses of power; one would be hard-pressed to find a category of literature more contested than that written for children and adolescents. Peter Hunt writes in his introduction to
and attitudes that adults need Literature, that children’s books “are overtly important educationally and commercially—with consequences across the culture, from language to politics: most adults, and almost certainly the vast majority in positions of power and influence, read children’s books as children, and it is inconceivable that the ideologies permeating those books had no influence on their development.” If there were a question about the central position literature for children and young adults has in political contests, one needs to look no further than the myriad struggles surrounding censorship. Mark I. West observes, for instance, “Throughout the history of children’s literature, the people who have tried to censor children’s books, for all their ideological differences, share a rather romantic view about the power of books. They believe, or at least they profess to believe, that books are such a major influence in the formation of children’s values to monitor every word that children read.” Because childhood and young-adulthood are the sites of political debate for issues ranging from civil rights and racism to the construction and definition of the family, indoctrinating children into or subverting national and religious ideologies, the literature of childhood bears consciously political analysis, asking how socialization works, how children and young adults learn of social, cultural and political expectations, as well as how literature can propose means of fighting those structures. To See the Wizard: Politics and the Literature of Childhood intends to offer analysis of the political content and context of literature written for and about children and young adults. The essays included in To See the Wizard analyze nineteenth and twentieth century literature from America, Britain, Australia, the Caribbean, and Sri Lanka that is for and about children and adolescents. The essays
of the Wizard—is a powerful national identity and representation, poverty and class mobility, gender, sexuality and power, and the uses of literature in the healing of trauma and the construction of an authentic self.

**Tusk Tusk** - David McKee - 2018-08-09

Once, elephants came in two colours: black or white. They loved all other creatures - but each set wanted to destroy the other. Peace-loving elephants ran and hid in the deepest jungle while battle commenced. The war-mongers succeeded: for a long time it seemed that there were no elephants in the world at all, not of any colour. But then the descendants of the peace-loving ones emerged from the jungle, and by now they were all grey.

‘This book was one of my favourites as a kid, I simply relished in the gloriousness of a load of elephants battling it out in a bizarre forest. It wasn’t until I was a bit older that I recognised the importance of the message that lay (not so subtly) underneath.’ OLIVER JEFFERS

**On Freedom** - Maggie Nelson - 2021-09-07
and constraint that entails, Publishers Weekly So often deployed as a jingoistic, even menacing rallying cry, or limited by a focus on passing moments of liberation, the rhetoric of freedom both rouses and repels. Does it remain key to our autonomy, justice, and well-being, or is freedom’s long star turn coming to a close? Does a continued obsession with the term enliven and emancipate, or reflect a deepening nihilism (or both)? On Freedom examines such questions by tracing the concept’s complexities in four distinct realms: art, sex, drugs, and climate. Drawing on a vast range of material, from critical theory to pop culture to the intimacies and plain exchanges of daily life, Maggie Nelson explores how we might think, experience, or talk about freedom in ways responsive to the conditions of our day. Her abiding interest lies in ongoing “practices of freedom” by which we negotiate our interrelation with—indeed, our inseparability from—others, with all the care

while accepting difference and conflict as integral to our communion. For Nelson, thinking publicly through the knots in our culture—from recent art-world debates to the turbulent legacies of sexual liberation, from the painful paradoxes of addiction to the lure of despair in the face of the climate crisis—is itself a practice of freedom, a means of forging fortitude, courage, and company. On Freedom is an invigorating, essential book for challenging times.

Finding Freedom - Omid Scobie - 2020-08-11
INSTANT INTERNATIONAL BESTSELLER * NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER The first, epic and true story of the Duke and Duchess of Sussex’s life together, finally revealing why they chose to pursue a more independent path and the reasons behind their unprecedented decision to step away from their royal
and their engagements, Omid reporters who have been behind the scenes since the couple first met. Finding Freedom is complete with full color photographs from Harry and Meghan’s courtship, wedding, Archie’s milestones, and many more unforgettable moments. When news of the budding romance between a beloved English prince and an American actress broke, it captured the world’s attention and sparked an international media frenzy. But while the Duke and Duchess of Sussex have continued to make headlines—from their engagement, wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and Meghan. For the very first time, Finding Freedom goes beyond the headlines to reveal unknown details of Harry and Meghan’s life together, dispelling the many rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters that cover the British Royal Family Scobie and Carolyn Durand have witnessed the young couple’s lives as few outsiders can. With unique access and written with the participation of those closest to the couple, Finding Freedom is an honest, up-close, and disarming portrait of a confident, influential, and forward-thinking couple who are unafraid to break with tradition, determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a profound difference in the world.

Thomas Thistlewood (1721-1786) was a British estate overseer and small landowner in western Jamaica. He arrived in Jamaica, the most important of the British sugar colonies in 1750, when he was 29 years old. He became the overseer or manager of the Egypt sugar plantation near the small port of Savanna la Mar. He stayed in Jamaica until his death in 1786. He wrote a diary, which eventually ran to some 10,000 pages, and this diary became an important historical document on slavery and history of Jamaica.

The Book of Lies - Brad Meltzer - 2008-09-02
Brad Meltzer--author of the #1 New York Times bestseller The Book of Fate--returns with his most thrilling and emotionally powerful novel to date. In Chapter Four of the Bible, Cain kills Abel. It is the world's most famous murder. But the Bible is silent about one key detail: the weapon Cain used to kill his brother. That weapon is still lost to history. In 1932, Mitchell Siegel was killed by three gunshots to his chest. While

a bulletproof man and created the world's greatest hero: Superman. And like Cain's murder weapon, the gun used in this unsolved murder has never been found. Until now. Today in Fort Lauderdale, Florida, Cal Harper comes face-to-face with his family's greatest secret: his long-lost father, who's been shot with a gun that traces back to Mitchell Siegel's 1932 murder. But before Cal can ask a single question, he and his father are attacked by a ruthless killer tattooed with the anicent markings of Cain. And so begins the chase for the world's first murder weapon. What does Cain, history's greatest villain, have to do with Superman, the world's greatest hero? And what do two murders, committed thousands of years apart, have in common? This is the mystery at the heart of Brad Meltzer's riveting and utterly intriguing new thriller

**The Orphan Collector**
Ellen Marie Wiseman - 2020-08-04
Instant New York Times Bestseller From the internationally bestselling author of *What She Left Behind* comes a gripping and powerful tale of upheaval—a heartbreaking saga of resilience and hope perfect for fans of Beatriz Williams and Kristin Hannah—set in Philadelphia during the 1918 Spanish Flu outbreak—the deadly pandemic that went on to infect one-third of the world’s population... “Readers will not be able to help making comparisons to the COVID-19 pandemic, and how little has changed since 1918. Wiseman has written a touching tale of loss, survival, and perseverance with some light fantastical elements. Highly recommended.”
—Stephanie Dray, New York Times bestselling author of America’s First Daughter

In the fall of 1918, thirteen-year-old German immigrant Pia Lange longs to be far from Philadelphia’s overcrowded slums and the anti-immigrant sentiment that compelled her father to enlist in the U.S. Army. But as her city celebrates the end of war, an even more urgent threat arrives: the Spanish flu. Funeral crepe and quarantine signs appear on doors as victims drop dead in the streets and desperate survivors wear white masks to ward off illness. When food runs out in the cramped tenement she calls home, Pia must venture alone into the quarantined city in search of supplies, leaving her baby brothers behind. Bernice Groves has become lost in grief and bitterness since her baby died from the Spanish flu. Watching Pia leave her brothers alone, Bernice makes a shocking, life-altering decision. It becomes her historical tale with chilling twists and turns. Beautifully told and richly imagined.”

—The Orphan Collector

sinister mission to tear families apart when they’re at their most vulnerable, planning to transform the city’s orphans and immigrant children into what she feels are “true Americans.” Waking in a makeshift hospital days after collapsing in the street, Pia is frantic to return home. Instead, she is taken to St. Vincent’s Orphan Asylum – the first step in a long and arduous journey. As Bernice plots to keep the truth hidden at any cost in the months and years that follow, Pia must confront her own shame and fear, risking everything to see justice – and love – triumph at last. Powerful, harrowing, and ultimately exultant, The Orphan Collector is a story of love, resilience, and the lengths we will go to protect those who need us most.

“Wiseman’s writing is superb, and her descriptions of life during the Spanish Flu epidemic are chilling. Well-researched and impossible to put down, this is an emotional tug-of-war played out brilliantly on the pages and in readers’ hearts.” —The
Philadelphia during the 1918 EDITOR’S CHOICE
“Wiseman’s depiction of the horrifying spread of the Spanish flu is eerily reminiscent of the present day and resonates with realistic depictions of suffering, particularly among the poorer immigrant population.”
—Publishers Weekly (Boxed Review) “Reading the novel in the time of COVID-19 adds an even greater resonance, and horror, to the description of the fatal spread of that 1918 flu.” —Kirkus Review “An emotional roller coaster...I felt Pia’s strength, courage, guilt, and grief come through the pages clear as day.” —The Seattle Book Review

Hereditary Genius  - Francis Galton - 1869

Birthday Girl  - Penelope Douglas - 2018-04-16

From New York Times

Bestselling author Penelope Douglas comes a new forbidden love story JORDAN. He took me in when I had nowhere else to go. He doesn't use me, hurt me, or forget about me. He doesn't treat me like I'm nothing, take me for granted, or make me feel unsafe. He remembers me, laughs with me, and looks at me. He listens to me, protects me, and sees me. I can feel his eyes on me over the breakfast table, and my heart pumps so hard when I hear him pull in the driveway after work. I have to stop this. It can't happen. My sister once told me there are no good men, and if you find one, he's probably unavailable. Only Pike Lawson isn't the unavailable one. I am. PIKE I took her in, because I thought I was helping. She'd cook a little. It was an easy arrangement. As the days go by, though, it's becoming anything but easy. I have to stop my mind from drifting to her and stop holding my breath every time I bump into her in the house. I can't touch her, and I shouldn't want to. The more I find my path crossing hers, though, the more she's becoming a part of me. But we're not free to give into this. She's nineteen, and I'm thirty-eight. And her boyfriend's father. Unfortunately, they both just moved into my house.

*BIRTHDAY GIRL is a stand-alone, contemporary romance suitable for ages 18+.
alone, contemporary romance at me. He listens to me, protects me, and sees me. Adeline Mowbray, Or The Mother and Daughter - Amelia Opie - 1808

Adeline Mowbray, Or The
In the Tall Grass - Stephen King - 2012-10-09
Now a major motion picture streaming on Netflix! Mile 81 meets “N.” in this novella collaboration between Stephen King and Joe Hill. As USA TODAY said of Stephen King’s Mile 81: “Park and scream. Could there be any better place to set a horror story than an abandoned rest stop?” In the Tall Grass begins with a sister and brother who pull off to the side of the road after hearing a young boy crying for help from beyond the tall grass. Within minutes they are disoriented, in deeper than seems possible, and they’ve lost one another. The boy’s cries are more and more desperate. What follows is a terrifying, entertaining, and masterfully told tale, as only Stephen King and Joe Hill can deliver.

That Is My Dream! - Langston Hughes - 2017-10-03
“Dream Variation,” one of Langston Hughes's most
“Dream Variation,” one of Langston Hughes's most celebrated poems, about the dream of a world free of discrimination and racial prejudice, is now a picture book stunningly illustrated by Daniel Miyares, the acclaimed creator of Float. To fling my arms wide In some place of the sun, To whirl and to dance Till the white day is done.... Langston Hughes's inspiring and timeless message of pride, joy, and the dream of a better life is brilliantly and beautifully interpreted in Daniel Miyares's gorgeous artwork. Follow one African-American boy through the course of his day as the harsh reality of segregation and racial prejudice comes into vivid focus. But the boy dreams of a different life—one full of freedom, hope, and wild possibility, where he can fling his arms wide in the face of the sun. Hughes's powerful vision, brought joyously to life by Daniel Miyares, is as relevant—and necessary—today as when it was first written.

That Is My Dream! - Langston Hughes - 2017-10-03

Hummingbird in
At the age of forty-five, Deborah Tobola returns to her birthplace, San Luis Obispo, to work in the very prison her father worked in when he was a student at Cal Poly. But she’s not wearing a uniform as he did; she’s there to teach creative writing and manage the prison’s arts program—a dream job. As she creates a theatre program for prisoners, Tobola finds plenty of drama off the stage as well. Inside the razor wire she finds a world frozen in the ‘50s, with no contact with the outside except by telephone; officers who think prisoners don’t deserve programs; bureaucrats who want to cut arts funding; and inmates who steal, or worse. But she loves engaging prisoners in the arts and helping them discover their voices: men like Opie, the gentleman robber; Razor, the roughneck who subscribes to The New Yorker; charismatic Green Eyes, who really has blue eyes; Doo Wop, a singer known for the desserts he creates from prison fare. Alternating between tales of creating drama in prison and Tobola’s own story, Hummingbird in Underworld takes readers on an unforgettable literary journey—one that is frank, funny, and fascinating.
Ty Cobb - Charles Leerhsen - the gentleman robber; Razor, the roughneck who subscribes to The New Yorker; charismatic Green Eyes, who really has blue eyes; Doo Wop, a singer known for the desserts he creates from prison fare. Alternating between tales of creating drama in prison and Tobola’s own story, Hummingbird in Underworld takes readers on an unforgettable literary journey—one that is frank, funny, and fascinating.

The Mother's Book - Lydia Maria Child - 1831

Ty Cobb - Charles Leerhsen - 2015-05-12 Details the life of the legendary, record-holding baseball player, who retired in 1928 and became the first inductee into the Hall of Fame, but who has also been categorized as a belligerent, aggressive player and a racist who hated women and children.

In the Name of the Bodleian - Augustine Birrell - 2019-09-25 Reproduction of the original: In the Name of the Bodleian by Augustine Birrell

An African American and Latinx History of the United States - Paul Ortiz - 2018-01-30 An intersectional history of the shared struggle for African American and Latinx civil rights Spanning more than two hundred years, An
African American and Latinx History of the United States is a revolutionary, politically charged narrative history, arguing that the “Global South” was crucial to the development of America as we know it. Scholar and activist Paul Ortiz challenges the notion of westward progress as exalted by widely taught formulations like “manifest destiny” and “Jacksonian democracy,” and shows how placing African American, Latinx, and Indigenous voices unapologetically front and center transforms US history into one of the working class organizing against imperialism. Drawing on rich narratives and primary source documents, Ortiz links racial segregation in the Southwest and the rise and violent fall of a powerful tradition of Mexican labor organizing in the twentieth century, to May 1, 2006, known as International Workers’ Day, when migrant laborers—Chicana/os, Afrocubanos, and immigrants from every continent on earth—united in resistance on the first “Day Without Immigrants.” As African American civil rights activists fought Jim Crow laws and Mexican labor organizers warred against the suffocating grip of capitalism, Black and Spanish-language newspapers, abolitionists, and Latin American revolutionaries coalesced around movements built between people from the United States and people from Central America and the Caribbean. In stark contrast to the resurgence of “America First” rhetoric, Black and Latinx intellectuals and organizers today have historically urged the United States to build bridges of solidarity with the nations of the Americas. Incisive and timely, this bottom-up history, told from the interconnected vantage points of Latinx and African Americans, reveals the radically different ways that people of the diaspora have addressed issues still plaguing the United States today, and it offers a way forward in the continued struggle for universal civil rights. 2018 Winner of the PEN Oakland/Josephine Miles Award for Literature.
