Character mask - Wikipedia
In Marxist philosophy, a character mask (German: Charaktermaske) is a prescribed social role that serves to conceal the contradictions of a social relation or order. The term was used by Karl Marx in various published writings from the 1840s to the 1860s, and also by Friedrich Engels. It is related to the classical Greek concepts of mimesis (imitative representation using analogies) and

Las Vegas Vacation Packages - Travel Deals
The excitement of your Las Vegas vacation package is only limited by your imagination. As one of the entertainment capitals of the world, Vegas allows you to experience stunning attractions, exciting tours, captivating nightlife, and so much more. Enjoy dinner at the best
We believe the world’s major challenges stem from a crisis of perception and imagination, and the failure of political culture to honour the fullness of reality. We are fascinated by the myriad ways in which our tacitly held worldviews shape our judgement, and how spiritual needs for security, meaning and purpose indirectly create political challenges.
