Rules of Play is a textbook, reference book, and theoretical guide. It is the first comprehensive attempt to establish a solid theoretical framework for the emerging discipline of game design.

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving workplace conflict, which costs companies billions of dollars annually. In this book, the authors show how to turn conflict resolution into a game that everyone can win, using the same principles that are the foundation of a successful sports team. The authors demonstrate how to create a culture of teamwork, cooperation, and respect that allows for healthy conflict resolution. Make workplace conflict resolution a game that EVERYBODY wins!
